**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Before I chose Sonic.Net I was using SBC and my internet services were painfully slow. Any time I called my family or friends in Canada or Hong Kong I had to pay long distance call fees.

Since I chose Sonic.Net, my internet services were much faster. I have been calling family or friends in Hong Kong or Canada for no extra long distance charge. I have been using Sonic.Net since 2011 and have received very satisfied services.

I don't want to be charged long distance calls to Canada or Hong Kong like SBC used to do. I don't want to have price hikes that will increase the cost of internet and telephone services.

Please consider this old citizen's options.

Sincerely,

Paul Chan
